

IN-WISEWOMAN

Within the Women's Wellness Program, Indiana WISEWOMAN program provides cardiovascular screening to women in order to address the burden of cardiovascular disease by identifying and reducing risk factors for heart attack, stroke and chronic disease through education and early screening at no cost to the patient.

Eligibility Requirements

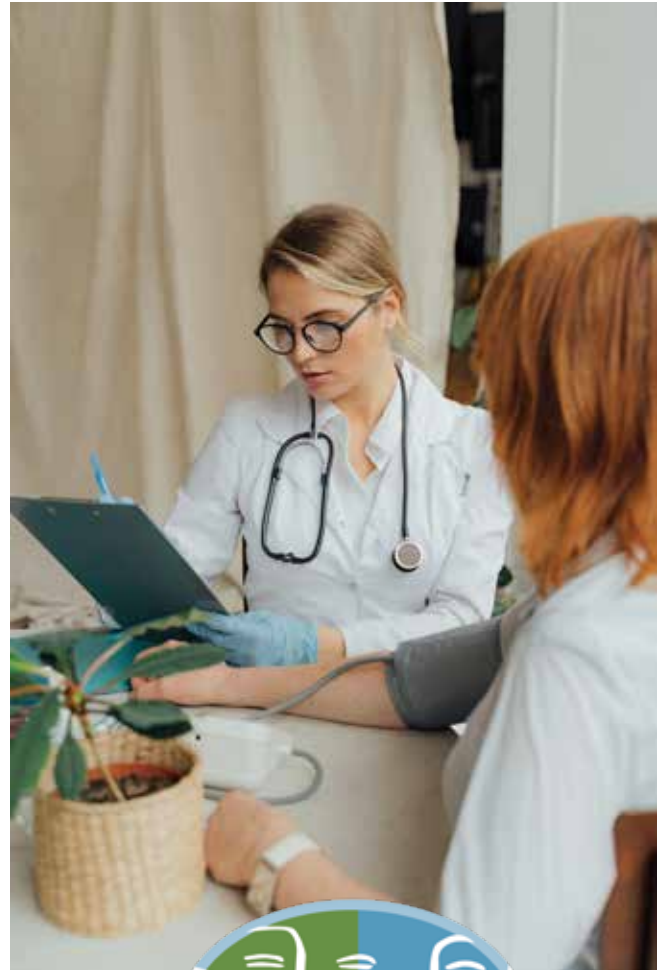

- Already enrolled in and remain eligible to participate in Indiana Breast and Cervical Cancer Program
- Between the ages of 40-64
- Income is at or below 200% of the federal poverty guideline
- Underinsured or uninsured
- Unable to pay the premium to enroll in Medicare, Part B (ineligible for Medicare)

Establish healthy goals.
Create action plans.
Make lasting changes.
Stay motivated.
