Observation Days

- Only adults and other Y-Dancers are allowed in the studio for observation.
- No other children/siblings allowed.
- Please refrain from constant conversation while observing class.
- Please do not correct dancers during class. You may visit with your child's teacher afterwards if you have any questions.
- Video cameras are welcome and encouraged on observation days. Videotaping *from the back*, will aide your dancer in home rehearsal.
- Nothing other than water on the dance floor please.

Class Recommendation

- For returning Y-Dancers, class recommendations are listed at the front desk.
- For those who may have taken a session or more "sabbatical" from Y-Dance, you need to visit with Ms. Walters to determine what class your dancer should enroll.
- For those new to Y-Dance, a beginning level is recommended to ensure the basics of our program are understood.
